

Who is SPR Inc?

Shar Pei Rescue Inc. is a not for profit association run by members and volunteers focused on rescuing and re-homing lost, abandoned, mistreated and awaiting execution Shar Pei dogs.

With volunteers in most states of Australia Shar Pei Rescue Inc. is the only chance that many of these lovable dogs get to enjoy life.

You can help us save as many of these loveable dogs as possible by helping in many ways such as making a donation, volunteering (walking dogs, transporting dogs, providing temporary foster care) and many other forms of assistance.

As we don't receive any government funding we rely on the generosity of the general public to keep us going. Donations over \$2.00 are tax deductible.

Why do we do it?

Australian's fell in love with "Rolly" the cute wrinkly puppy in the toilet paper commercial which resulted in the ancient Chinese dog breed, the Shar Pei going from obscurity to instant fame. Many Australian families rushed out to buy one only to dump or surrender them to pounds and shelters a few years later, usually as a result of poor veterinary advice, lack of knowledge of the breed or lack of training and socialization.

Most Shar Pei that end up at the pound are mistreated, in poor health or suffering severe psychological trauma. When you consider that 250,000 dogs and cats are killed in pounds and shelters every year in Australia it's not surprising that Shar Pei rarely make it out alive.

We believe in giving these animals a second chance and find that a little specialist tender loving care and some quality time at obedience school results in a new lease on life for these dogs.
